## Discover. Learn. Experience. Your Steps Toward a Global Career.

Are you ready to take your first steps toward a dynamic international career?

Join our **8-day Shadowing Program in Sicily**, where learning goes far beyond the classroom. This is not just about gaining work experience — it's a journey of personal discovery, professional exposure, and cultural immersion.

### ◆ What's in the Program?

- ✓ Shadowing visits in more than 3 innovative companies
- ✓ Workshops to boost soft skills and self-awareness
- ✓ Cultural explorations
- ✓ Roundtable discussions with professionals
- ✓ Flights, housing, transport, breakfast – all included!
- ✓ Support throughout the entire journey

### Program Highlights:

- **Hands-On Experience:** Engage in real-world projects focusing on lead generation, market research, and strategic planning, collaborating with local and international companies.
- **Professional Development:** Participate in workshops and seminars led by industry experts, enhancing your skills in digital marketing, business analytics, and cross-cultural communication.
- **Holistic Experience:** Immerse yourself in Italy's rich heritage, exploring historic sites and experiencing the vibrant Italian lifestyle, thereby broadening your global perspective.

**Info-session: 18 of August at 4 pm CST**
